RE: Tents 5 & 6 Facility Disposition RSOP Notification

Dear Mr. Rampe:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed your July 14, 2005 letter notifying us that the Facility Disposition RSOP will be utilized during the demolition of Tents 5 and 6. We hereby agree that Tents 5 and 6 may be demolished utilizing the Facility Disposition RSOP, with additional actions to properly remove, manage, and dispose of the radiologically contaminated tent fabric as indicated.

This and other issues that may arise during demolition activities may be resolved utilizing the consultative process, with resolutions captured in Contact Records, as well as in the Closeout Report for Tents 5 and 6.

If you have any questions regarding this correspondence please contact me at (303) 692-3367 or David Kruchek at (303) 692-3328.

Sincerely,
